

Directions to meeting location for tandem flights at Lookout Mountain in Golden, CO:

Golden Colorado, once the Colorado State Capitol, sits against the foothills west of Denver. The meeting place is on West side of the city of Golden at the base of the hill where we will fly.

From North (Boulder):

Take Hwy 93 south past Clear Creek Canyon (Hwy 6). About .25 mile south of this intersection, a field with a windsock on the west side of the road (your right). There is a shoulder along the right side of this road. (If you reach 19th street, you've already passed it) This gravel shoulder is where we'll meet your pilot at the designated time.

From the South:

If you are coming from the south, you'll want to take 6th Avenue exit from C-470 (the far left lane of C-470 and stay in the left lane). Go north on 6th Ave toward Golden for two (2) lights. You will pass an intersection at the light (second light) of 19th Street. There is a shoulder west of the road just north of this intersection about 1/4 mile. This parking area/shoulder is where we meet. However, **DO NOT make a left turn from the Highway (6th Avenue) into this area** (illegal turn). Go to the first left turn lane you see (Canyonside condos, before the intersection) and turn around there to return to the meeting spot. We meet in the shoulder at the end of the field on your right.

From East (Denver):

Follow 6th Avenue west to Golden. Drive about 2-miles past the Jefferson County Offices. Travel about a half-mile past the 19th Street intersection. You will see our landing field on your left. (Look for the windsocks). **DO NOT stop or turn here** (it's unsafe and illegal). Continue another quarter mile to the entrance to the Canyonside Condos, before you reach the intersection of highway 58 and 93. There's a left-turn lane. Use it to enter the condo parking lot and turn around. We meet on the gravel shoulder at the east end of the field.

From the West (I-70):

Take the exit for Golden/West 6th ave. (clover leaf exit), merge into the far left lane, so as to merge with West 6th ave. Continue north on 6th Ave toward Golden. Just past the intersection of 19th Street. There is a gravel shoulder west of the road just north of this intersection about 1/4 mile. This parking area is where we meet. **DO NOT make a left turn from the Highway (6th Avenue) into this area** (unsafe/illegal turn). Continue to the first left turn lane (entrance to Canyonside condos) and turn around to return to the meeting spot. We meet in the parking area on the far east side of the landing field (now on your right).

Lost? Just call: **720-583-4731**
